Extension of safety rules until April 25 with

The government decided to extend the restriction for one week, until April 25. However, there are exceptions and they apply to kindergartens and nurseries. Children will be able to return to the institutions from April 19. It will also be possible to practice outdoor sports. Hotels and accommodation facilities will remain closed until May 3.

- Hotels and accommodation facilities remain closed until May 3 inclusive. The exceptions are, among others workers' hotels, as well as accommodation

provided as part of some business trips - e.g. medics, drivers performing road transport or soldiers. The exact catalog of exceptions along with the required confirmation of a business trip will be included in the regulation.

- Nurseries and kindergartens - open from April 19 for all children.
- Sport - from April 19, it will be possible for children and youth to participate in sports competitions conducted by the relevant Polish sports association. It will also be possible to play sports in outdoor sports facilities - with a limit of up to 25 people (both children and adolescents, and adults). On the other hand, the activities of other sports facilities (halls, indoor sports fields, etc.) are still limited to professional sports only (as before). All events can take place without the participation of the public. Closed are, among others gyms, fitness clubs, swimming pools, saunas and solariums.
