Regional level

Regional Investor/Exporter Assistance Centers (COI/COIE)

Activities carried out by the Polish Investment and Trade Agency S.A. supports the nationwide network of regional Investor Assistance Centers - Partners of the Polish Investment and Trade Agency S.A. COI was created in close cooperation with marshals of voivodeships who are statutoryly responsible for the promotion of the voivodship and function mainly within the structures of marshal offices and regional development agencies.

The COI staff operates in accordance with the standards set by the Polish Investment and Trade Agency S.A., has been trained at the Agency and is provided with constant substantive assistance of its employees. Each of the units covers the territory of the voivodeship in which it has its seat and is a source of current data on the economy of the voivodeship. The centers also have databases of contacts with local governments and business-related institutions working for the development of the voivodeship.

The main objective of the COI is to provide comprehensive services to investors at the voivodship level. The centers cooperate with the Polish Investment and Trade Agency S.A. in servicing investment projects and they independently provide services to investors who contact them directly.
