

Galwanizer will have a new headquarters in DzierÅ¼oniÃ³w! The company received a decision to support a new investment from the WaÅ?brzych Special Economic Zone "Invest-Park".

The investment will consist in increasing the production capacity of the existing enterprise by building a new production plant and its equipment. This will allow the company to expand its surface treatment activities. Investment value: PLN 95.4 million. New jobs: at least 3.

Galwanizer is a company established in DzierÅ¼oniÃ³w in 1997 on the basis of the assets of Diora S.A. The subject of the galvanization services provided by the Company is galvanic treatment of non-ferrous metals: copper, brass, as well as steel

and plastics.

We wish you a successful investment!
