"Polish Deal 2.0 - an overview of changes" - free

The Polish Entrepreneurship Foundation invites entrepreneurs to a free online training "Polish Deal 2.0 - an overview of changes". The training aims to systematize the most important changes in the Polish Lada, familiarize them with new and repealed regulations and indicate the areas in which the legislator gives entrepreneurs the right to choose.

Thanks to the training you will learn:

- what changes have been introduced on the tax scale,
- what are the grounds for making a decision on a possible change in the form of taxation of income / revenue obtained in 2022,

- how to apply the provisions on the deduction of health insurance contributions in practice,
- how some provisions were modified, including the discount on monuments.

Dates:

- June 6, 2022 at 8: 15 - 9: 45
- June 13, 2022 at 9: 00 - 10: 30
- June 20, 2022 at 11: 00 -12: 30

The training will be conducted by: Beata KuÅ?mierek - experienced economic advisor, trainer in tax areas, certified accountant with twenty years of experience. More information on the website of the Polish Entrepreneurship Foundation
