Are you interested in working with Greek entrepreneurs? Complete a short survey

The Marshal's Office of the Lower Silesian Voivodship asks entrepreneurs interested in cooperation with Greek entrepreneurs to fill in a short questionnaire.

The survey aims to examine the potential, interest and possibilities of establishing economic cooperation between entrepreneurs from Lower Silesia and the Central Macedonia region in Greece:

- finding an investor,
- investment (in Greece-Central Macedonia),
- introduction and / or sale of own products, services, goods,
- exchange of experiences,
- conducting tests, research, analyzes.

Completion of the survey is not binding on the parties and will not create any obligations.
