Entrepreneurs may benefit from real estate tax

On October 14, 2022, four newly launched de minimis aid programs came into force in the city, constituting a direct continuation of the periodic real estate tax exemptions granted so far.

Support includes:

- running a gastronomic activity within the city center - real estate tax exemption is granted for a maximum period of 2 years;
- construction or reconstruction of public car parks - real estate tax exemption is granted for a maximum period of 3 years;
- permanent elimination of architectural barriers for people with disabilities - real estate tax exemption is available for a maximum period of 3 years;

- change of heating method in the enterprise (from non-ecological to ecological) - real estate tax exemption is granted for a maximum period of 2 years.

The conditions entitling to take advantage of the real estate tax exemption are included in individual resolutions of the DzierÅ¼oniÃ³w City Council, available in the Public Information Bulletin of the City Hall in DzierÅ¼oniÃ³w.
