4 years of the DzierÅ¼oniÃ³w Entrepreneurs'

The DzierÅ¼oniÃ³w Council of Entrepreneurs (DRP) celebrates its 4th anniversary today!

On November 21, 2019, Mayor Dariusz Kucharski handed over the acts of appointment to the DzierÅ¼oniÃ³w Council of Entrepreneurs, which is the voice of local entrepreneurs and aims to support the city's economic development policy. Currently, the Council consists of 16 entrepreneurs, 2 representatives of business-related institutions and 2 councilors of the City Council.

During its four years of operation, DRP initiated various activities supporting entrepreneurship in our city. Suffice it to mention the Buy Local campaign in DzierÅ¼oniÃ³w, or workshops with young people as part of the District Vocational Forum "School for Employers - Employers for School".

We would like to thank all members of the Council for their meetings, commitment and initiatives, and we wish them perseverance in implementing further interesting projects!
