ABC of entrepreneurship - optimal decisions at

Entrepreneur is a profession for which you need to prepare and acquire competences. Do you want to learn the basic information necessary for a good start? Take part in a free training of the Polish Entrepreneurship Foundation entitled: "The ABC of entrepreneurship - optimal decisions at the start."

Deadline: March 7, 2024 9:00 - 10:45

Who is the training intended for?

- micro, small and medium-sized entrepreneurs,
- people starting their own business,
- anyone who values â??â??the value of knowledge.

What will you discover and learn?

- How to choose the best form of business taxation?
- What will be the amount of health insurance and social security contributions?
- What and in what amount is a tax expense?
- What mandatory elements must an invoice contain?
- When will the obligation to issue an advance invoice occur?
