

The recruitment of applications for the "Grants for Eurogrants" program under the European Funds for a Modern Economy 2021-2027 (FENG), which supports the development and internationalization of Polish enterprises, is underway. The organizer of the competition is the Polish Agency for Enterprise Development.

The aim of the action is to increase the innovation and internationalization of Polish entrepreneurs by increasing their participation in EU programs managed centrally, i.e. by the European Commission, in particular:

- HORIZON EUROPE,
- CREATIVE EUROPE,
- DIGITAL "DIGITAL EUROPE",

- SINGLE MARKET PROGRAMME,
- LIFE.

Who can apply for funding

The call for applications is addressed to micro, small and medium-sized enterprises operating in Poland and will last until **April 17, 2025.**

What can you get funding for?

Activities necessary to prepare the Eurogrant and carry out the applicant's participation in a specific call for proposals in the EU program are financed, i.e.:

1. Eurogrant preparation, which includes:

   - searching for Eurogrant partners in the Republic of Poland and abroad, including organizing meetings related to the preparation of assumptions for the Eurogrant itself and the Eurogrant application,
   - preparation of an application for a Eurogrant for a selected EU program or competition in a selected EU program, including translation of application documentation, in accordance with the requirements specified by the organizer of the competition in a given EU program/competition in a given EU program,
   - possible correction of the Eurogrant application,
   - presentation of the Eurogrant application before the project evaluation committee appointed by the organizer of the competition in a given EU program/competition in a given EU program;

2. development of specialized analyses.

The funds allocated to co-finance projects in the call for proposals amount to PLN 43 million. Maximum co-financing PLN 107,000 - up to 100% of eligible costs.
