There are funds for training from the National

Employers can apply for funding for lifelong learning of employees and employers. The District Labor Office in DzierÅ¼oniÃ³w announced the first call for applications for funds from the reserve of the National Training Fund in 2024. However, you have to hurry - the deadline for submitting applications is June 28, 2024.

The condition for applying for funds from the KFS is running and carrying out business activity in the DzierÅ¼oniÃ³w district and not exceeding the de minimis aid limit.

Financing limits in 2024 depend on the number of employed employees:

up to 10 employees - up to 100% of the costs of lifelong learning, but not more than PLN 10,000.

from 10 employees - up to 80% of the costs of lifelong learning, but not more than PLN 30,000.

The employer may use funds from the KFS reserve received from the District Labor Office for:

determining the employer's needs in the field of lifelong learning in connection with applying for financing of this education from KFS funds;

postgraduate courses and studies carried out on the employer's initiative or with his consent;

examinations enabling obtaining documents confirming the acquisition of skills, qualifications or professional qualifications;

medical and psychological examinations required to undertake education or professional work after completing education;

insurance against accidents in connection with the education undertaken.

More information about the recruitment can be found on the website of the District Labor Office in DzierÅ¼oniÃ³w.
