Anti-covid support for the food industry - MDDP

Projekt „Kompetencje dla Branży Turystycznej i sektora żywności wysokiej jakości”

The project entitled â??Competences for the Tourism Industry and the High Quality Food Sector - Anti-Covid tasksâ? is addressed to micro, small, medium and large enterprises in the HIGH QUALITY FOOD sector (PKD. C. 10) with headquarters throughout Poland. Recommended forms of support are trainings.

The aim of the project is to increase, in line with the needs of entrepreneurs, the competences in the field of Extraordinary Recommendations of the Sectoral Council for Competences in the high-quality food sector, aimed at PREVENTING NEGATIVE EFFECTS OF PANDEMICS in the following thematic areas:

- Good Hygiene Practices GHP and HACCP in pandemic conditions;
- Organization of sales and promotions in pandemic conditions;
- Supply of raw materials for the production plant in pandemic conditions;
- Food and pandemic storage and transportation;
- Crisis management in the event of an infection in the plant.

The recruitment process lasts until December 31, 2020. The support will be implemented until March 31, 2021. Detailed information about the project can be found on the ADDP Business Academy website
