Information about the reconstruction of KiliÅ?

We would like to inform you, that on March 17, 2025, the reconstruction of KiliÅ?skiego Street in DzierÅ¼oniÃ³w will begin. The works will be carried out in stages, which involves the temporary closure of individual sections of the road to traffic.

In the first stage, the section from the railway crossing to the intersection with Podwalna Street will be closed.

- Entry to Podwalna Street from KiliÅ?skiego Street will be possible only from the Pieszyce side.

- Access to companies in the area of â??â??â??â??the former transshipment yards and warehouses (located parallel to the railway tracks) will be available from KiliÅ?skiego Street through the railway crossing.

The completion of the investment is planned **for February 2027**. We will inform you about the next stages of changes on an ongoing basis.

We apologize for any inconvenience related to the reconstruction.
