

Every Monday, Wednesday and Friday, the Ministry of Development, Labor and Technology invites entrepreneurs to free webinars. The new Public Procurement Law, facilitation in the construction process, solutions for the tourism industry and regulations regarding the succession of family businesses - these are the topics that will be discussed throughout November.

Webinars can be watched on Mondays, Wednesdays and Fridays always at 11.00 a.m. on the website of the Ministry and on the YouTube channel of the Ministry of Development, Labor and Technology.

Webinar program:

- November 16 at 11:00 a.m. "PPL: New, simplified procedure for awarding contracts below EU thresholds, open to negotiations"
- November 18 at 11:00 a.m "SUPPORT FOR ENTREPRENEURS: Tourist promotion in times of pandemic"
- November 18 at 1:00 p.m. "SUCCESSION: Succession management. Appointment, tasks and termination of the succession manager".
- November 20 at 11:00 a.m."CONSTRUCTION: Digitization of the investment and construction process. What's ahead?"
- November 23 at 11:00 a.m. PPL: "Ways of contractors' participation in shaping the purchasing process in the new PPL"
