

Meeting of the Dzierżoniów Entrepreneurs Council

Today, another meeting of the Dzierżoniów Entrepreneurs Council with the Mayor of Dzierżoniów (DRP) took place. This time, the meeting was held at the Social Insurance Institution (ZUS) Inspectorate in Dzierżoniów.

During the meeting, Council members had the opportunity to see how the ZUS office operates in practice and to discuss customer service and the accessibility of services. It was also an opportunity to exchange experiences, including those related to the functioning of the Electronic Services Platform (PUE ZUS).

Appointment certificates were also presented to new Council members: Ryszard Borek, representing the Investment and Construction Company "Biodom" Sp. z o.o., and Stanisław Miazga, representing the Construction Company "Miazga" Sp. z o.o.

During the session, current issues related to entrepreneurship were also discussed. Topics included economic education initiatives, such as the announced school competition "Inter-school Entrepreneurship Tournament" and student visits to local businesses. The latest information on the "Dzierżoniów Resident Card" programme and other initiatives supporting local business development was also presented, including the assumptions of a new resolution on de minimis aid for water retention for entrepreneurs.

The meeting took place in a positive and open atmosphere. It also provided an opportunity to exchange Easter wishes ahead of the upcoming holiday.
