Do you have an idea for your own business and want to start a company? The District Labour Office in Dzielnica Dzierżonów has announced a call for applications for funding to start a business.

Under the programme, applicants can receive up to PLN 36,000 to start their own business. The call for applications opens on 5 October 2026.

This is a reopening of the call and, according to the Dzielnica Dzierżonów District Labour Office, the last opportunity to apply for this type of support this year.

The funding is available to people who meet the conditions specified in the call regulations. Before submitting an application, applicants should review the detailed rules, required documents and assessment criteria.

Detailed information, regulations and application documents are available on the [website of the Dzielnica Włocławek District Labour Office](#).

Have a business idea? Check whether you can receive support to get your business started.
